

22nd Annual Life Chain

Sunday October 7
2:00-3:00pm
All are welcome!

The 22nd Annual Life Chain will be on Loop 281 between Judson Road and Spur 63, in front of the Longview Mall. We will also use a short section of Spur 63 to form the arm of the cross. Please be mindful of businesses and DO NOT park near those stores.

Please remember that the Life Chain is intended to be a prayerful time of public witness. We believe this strong pro-life presence in our communities is one of the key reasons why there are no abortion clinics in Northeast Texas.

Human efforts will not end abortion, we must have God's divine help. The Scripture assures us that His ear is drawn to pleas from humble, unselfish hearts. May it truly be for HIS Glory!
